

CODE OF CONDUCT

Players, Parents/Carers and Supporters Guide

At Allstars, we aim to provide a safe, supportive and enjoyable environment for all players as they learn and grow individually, and as a team. Our Allstars community consists of players, coaches, managers, scorers, umpires, parents, committee members and volunteers. Whilst we have a great community here at Allstars we do have expectations that must be adhered to for players, parents/carers and supporters. Please remember that coaches, managers, trainee umpires, and committee members are volunteers and are giving up their time and knowledge for the players and so we can all have a great season. To help us keep in spirit of the game we ask all players, parents/carers and supporters read and adhere to the Allstars Code of Conduct.

As an affiliated club that operates under the regulatory framework of Redlands Netball Association Inc. (RNA), all rules, by-laws, policies and codes set by RNA will apply to Allstars members, players, parents/carers and supporters.

Players

RESPECT: Respect for self, other players in your team and the opposing team, coaches, managers, parents, umpires and committee members.

BULLYING: A zero tolerance of bullying towards teammates, opposing players, umpires, coaches, managers, parents and committee members. Should a player have a concern with a team member, opposing player or parent, the player is to speak to the coach or manager at an interval or after the game.

LANGUAGE: A zero tolerance for swearing, belittling, discouraging language or inappropriate behaviour towards teammates, opposing players, umpires, coaches, managers, parents and committee members.

FAIRNESS OF THE GAME: No players shall be discouraged by fellow teammates due to friendships, issues within the team, or experience levels. Netball is a team sport and players will be treated equally and fairly by teammates, coaches, managers, umpires and committee members.

ATTITUDE & EFFORT: Players are expected to attend every team training session unless they are injured, unwell or have a valid reason. Should a player be sick or injured before training or a game, a minimum of 1 hours' notice must be given so the coach can rearrange training plans, positions and team plays.

TRAINING AND GAME EXPECTATION: Players are expected to attend every team training unless ill. Should a player be ill before training, a minimum of 1 hours' notice should be given so the coach can rearrange training plans, positions and team plays. Please use the "Team App" for all communication. Should a player be absent from a game, earliest possible notice needs to be given to the coach, to ensure a fill in player is added to the team and player positions are rearranged. Minimum notice of an absence from a game is 2 hours, preferably the night before.

MOBILE PHONE USE: With respect to team members and coaches, NO mobile use will be permitted throughout the game, including bench time, warm up and debriefing, or throughout training sessions.

Parents/Carers/Supporters:

RESPECT: Parents/Carers and Supporters must show respect for your child, players in the team and opposing team, coaches, managers, parents, umpires and committee members. If a parent has any concerns with a player, umpire, opposing team, manager or coach, it is best to discuss the concern after the game, prior to emailing the committee. In most situations any issue can be resolved by open and clear communication with the coach after the game has ended or prior to the next training.

Allstars Netball Club Inc.

www.allstarsnetball.com.au

BULLYING: A zero tolerance of bullying towards players, opposing players, umpires, coaches, managers, parents and committee members. Should a parent have a concern with a player, opposing player, fellow parent, or umpire the parent is to speak to the coach or manager at the end of the game.

LANGUAGE: A zero tolerance for swearing, belittling, discouraging language or inappropriate behaviour towards players, opposing players, umpires, coaches, managers, fellow parents, committee members and duty officials, including RNA representatives. If such language or behaviour is deemed to be disruptive, you will be asked to leave the RNA or training grounds immediately.

FAIRNESS OF THE GAME: Parents/Carers and supporters are not to interfere with the coaches and managers decisions on play, time on sideline, or positions of play. All players will be treated equally, and all players will be gaining new skills each time they are placed in a new position which allows a player to grow and develop their strengths as they try different positions. Should a player not attend training then it is at the coaches and managers discretion if a player is sidelined for a period of time for the following game. Parents are not to be involved in team discussions during game intervals unless requested by a coach (excludes team managers).

TRAINING AND GAME EXPECTATION: Players are expected to attend every team training session unless they are injured or unwell. Should a player be unable to attend training or a game, a minimum of 1 hours' notice must be given so the coach can rearrange training plans, positions and team plays. Please encourage your child to attend training and games and to actively participate.

COMMUNICATION: For all communication for teams, players, parents and committee please use the "Team App" chat feature. Options for group or private conversations may also be used, however management and communication on another platform (outside of Team App) must be coordinated within the team (via the Team Manager).

GAME CANCELLATIONS: If Saturday games are cancelled by the RNA, this will be announced on the Allstars Team App "News Feed". Please do not call the RNA. Your team manager and/or coach will also communicate game cancellations.
